Resolute Bank Celebrates 10-Year Anniversary

Maumee, Ohio — This month Resolute Bank is kicking off its 10th year in business. Formerly known as the Bank of Maumee, the bank opened its doors in October 2006, with the goal of reshaping the traditional banking experience for northwest Ohio businesses and residents.

Since changing their name from Bank of Maumee in June 2015, Resolute Bank has seen tremendous growth. The employee base has more than doubled and the bank continues to roll-out new offerings — including a Preferred Small Business Administration lending program, Reverse Mortgages, and VA Streamline Refinance programs. Additionally, the bank continues to tailor solutions to meet the needs of its clients by introducing Resolute Mobile for both business and consumer clients. With features like Mobile Deposits, Person-2-Person Payments and Bill Pay, they are making it both convenient and easy to bank anywhere their clients' busy lives take them.

“As we reflect on the past 10 years, we are proud of what we’ve achieved and the direction we’re taking,” said Kevin Rahe, president of Resolute Bank. “Our experienced and dedicated staff continue to put our clients’ needs at the center of everything we do by unveiling new offerings, making technological advancements and providing personalized, attentive service.”

Resolute Bank will commemorate this anniversary throughout the year, with celebrations like an open house for current clients, special offers for consumers and employee recognition activities.

“This milestone would not be possible without our loyal clients and the hardworking, dedicated team at Resolute Bank,” said Rahe. “We are grateful for the support of the community, and we are excited to see what is in store for the next 10 years and beyond.”
